

## What a contrast of opportunities!

About the time we thought we had it all figured out, we experienced God's incredible sense of humor. It began at Bike Week in Daytona, Florida, where we worked alongside Pastor Frank and King of Glory Biker Ministries and quickly transitioned into invitations from several elementary after-school programs in Immokalee and Naples.

Within a couple weeks, we found ourselves surrounded by groups of energetic kids. Each of these groups, while worlds apart, became OUR teachers.

We saw the hand of God at work in each of these amazing opportunities. And, what's more, we're invited back next year!

**BREAKING NEWS:**

**Our new promo video is ready!!!  
Your help is CRITICAL!**

We are excited beyond words about our new promo video. BUT. . . it must be seen! We are asking YOU to please forward our website link [www.RememberFamily.org](http://www.RememberFamily.org) to small groups, organizations, churches, groups involved in fundraising, camps, MOPS, retreats, RV parks, senior groups, festivals, county fairs, patriotic or holiday events . . . and of course, your families. Our desire is to reach families with encouragement and hope and to strengthen them through song and the gentle nudge of God's spirit. Be creative and bold, and "think outside the box" as you forward this link to everyone you know.

We are fine tuning several areas of our mission and are receiving some much needed assistance from our newly formed team back home in Minnesota.

Ben Coyour, webmaster: Ben is reorchestrating a total update of our website with new categories and the latest information. Check it out at: [www.RememberFamily.org](http://www.RememberFamily.org)

Nick Coyour, video production and management: Nick just created our brand-new promo video. More videos, family resources, merchandise, and promotions are in the works.

Vicki & Dean Groth, directors and photographers: already turning us upside-down with all they bring. Vicki comes with considerable experience in nonprofit operations, and Dean, a retired police officer, provides all our security. 😊

We consider YOU a part of our team as well and have been blessed by your faithful prayers and financial support. If you receive our newsletter electronically, please consider using the convenient  button found on our website at [www.RememberFamily.org](http://www.RememberFamily.org). You may also mail your donation to: **6457 E. Frontage Road, Medford MN 55049**. Thank you in advance for your continued partnership in our work.

**Special Request:** June 8-12 we will travel to a Gaither songwriting event, which was made available to us by a generous gift . What an opportunity to learn from these great writers and musicians. Please pray specifically that Wes will have the opportunity to present some songs, especially the one he recently wrote called "Gaithers Got My Momma".
