

Remember the Love of the Family

During this Christmas season and the coming new year, Wes, Dawn and Remember the Love of the Family pray God's perfect peace, hope, joy and love to each one of you and your families!

It's hard to believe that two years have passed since Remember the Love of the Family officially started as a full-time music mission. With this writing, we are melding all of our experiences with a number of other ideas, songs, materials and a new "theme" to be announced in early 2010.

Front porch concert in July

Thanks to you, we have had the opportunity to share with folks in Minnesota, Iowa, Wisconsin, South Dakota, Illinois, Tennessee, South Carolina, Delaware, Florida, Arizona, Nevada and California at Veteran's Hospitals, family reunions, radio spots, coffee houses, treatment centers, back and front yard parties, churches, parks, internet TV, nursing homes, graduation and anniversary parties, RV parks, living rooms, You Tube and more.

On December 26 we hit the road again, this time in the motorhome. We will concentrate mainly in the southeast this winter, with a possible southwest tour in the fall.

Again, thank you all from the bottom of our hearts for your encouragement, prayers and continuous support as we press on to fulfill this calling and purpose.

Have a very blessed Christmas!
