

Remember the Love of the Family

In a hushed tone, the woman whispered to Wes, "My husband won't attend church, but he came tonight to hear country music. He told me, 'Go get a couple of those CD's while I pull up the car.' I believe God really touched him tonight."

BIKE WEEK

MINISTRY BOOTH

OUTREACH SERVICE

A few pictures and highlights from our winter ministry tour:

ISLAND CLUB

- First time at Bike Week. Sang and prayed for many broken people, what a mission field.
- Island club's annual "poolside" get-together was held inside due to low temps and gusty winds. It's becoming a great outreach to unsaved neighbors.
- Thanks to Pastor Thomas and New Life Church of Marco Island for welcoming and hosting us.

NEW LIFE CHURCH II

NEW LIFE KIDS

Through your loving compassion and support, we've had the freedom to pray with many people from all walks of life and share laughter, tears, hope, and encouragement. Thank you.

Our God is so faithful!
