“My suicidal father left home and I was raised by an abusive, alcoholic step-father... You have no idea the impact your ministry had on me. It is so needed and vital to our world right now. Don’t stop and never give up.” John at Ironwood Springs

Memorial Day weekend we had the privilege of ministering through music and the Word at Ironwood Springs Christian Ranch; we did a concert Saturday evening and lead the church service Sunday morning. Frequently we serve other non profit outreaches, which means your support is multiplied, serving many others.

80th Birthday Celebration

Wes’ parents, Bev (on “keys”) & Leo, (our reverend & roadie) often join us

Wes and the kids singing about “Noah”

It’s hard to believe that it’s been almost three years since we felt the Lord’s nudge to step out on this journey, planting seeds to restore faith in God, family and even our country, using music and any other means possible. From the smallest to the largest, we could never have hoped, prayed or imagined all the places and adventures God would lead us.

Next week we will be at the Vermillion Indian Reservation, sharing with the kids on Wednesday and the adults Thursday evening. Please keep us and the team in your prayers. THANKS TO YOU, we are able to say yes to every opportunity, even though many have little or no resources to bring in outside ministries.

So since God in His mercy has given us this wonderful ministry, WE NEVER GIVE UP!
2 Corinthians 4:1

In HIS love,

Wes & Dawn
